Research Experience

Lab Manager

Mind and Identity in Context Lab, Indiana University
 PI: Mary Murphy, Ph.D.
 May 2019 – Present

Continued reorganizing physical lab spaces to increase efficiency. Created professional development toolkit for undergraduate research assistants. Optimized research assistant timekeeping by introducing new technology. Inventoried vast array of over 500 pieces lab equipment. Modified and updated lab manual for undergraduate research assistants. Updated interview and application materials. Interviewed over 15 potential research assistants.

Research Assistant

Mind and Identity in Context Lab, Indiana University
 PI: Mary Murphy, Ph.D.
 January 2018 - May 2019

Point Research Assistant for in-lab project (Ozier, Taylor, and Murphy, [Under Review]). Supervised other research assistants while graduate students, post-doctoral candidates, and lab managers were at conferences. Trained other research assistants on archiving, scanning, and copying procedures. Developed scheduling software with Microsoft Excel that allowed lab managers to create work schedules for up to 30 persons. Reorganized physical lab spaces to allow for greater volume of participants during graduate student's dissertation. Archived 5 years' worth of NSF data. Coordinated lab SONA account. Conducted over 100 participant experiments.

Leadership and Volunteer Experience

Team Captain

Ballroom Dance Team at Indiana University
May 2018 – Present

Oversaw all team coaching and dance development. Created a coaching agreement to protect the interest of the team, team members, and coaches. Oversaw the growth of the team by fifty percent during Spring 2019 semester.

Vice President

Club Sports Federation, Indiana University
Supervisor: Brad Whittaker
January 2018 – May 2019

Developed excel sheets that allowed 37 teams and their officers to track their classification points as well as see projection of totals. Lead classification and behavioral appeal committee that saw 8 appeals during tenure.

Team Secretary

Ballroom Dance Team at Indiana University
October 2017 – May 2018

In charge of all team communication. Transferred weekly team email to a newsletter distribution service.

Professional Affiliations

SPSP Member

Skills

Microsoft Suite

During research assistant tenure, developed a scheduling software, housed in excel, that allows lab managers to schedule up to 30 research assistants on up to 8 studies.

CITI Training

Human Research Social/Behavioral Researchers – Stage 1
Social and Behavioral Responsible Conduct of Research
